

ACTIVE SCREENING QUESTIONNAIRE

- 1. Are you experiencing flu-like symptoms, feeling unwell, have a fever and/or new onset of cough or difficulty breathing?**

If yes, please delay entering, notify your immediate supervisor AND contact your health care provider, or Telehealth Ontario (1-866-797-0000)

- 2. Have you recently worked in a location that is currently experiencing an outbreak where you've been asked to self-isolate while at work?**

If yes, please delay entering and notify your immediate supervisor

- 3. Have you returned from traveling outside Canada in the past 14 days?**

If yes and you're a CLTO/agency staff, you must self-isolate at work (provide the "how to self-isolate while at work" document) and notify your immediate supervisor.

- 4. Have you been in close contact with a confirmed or probable case of COVID-19?**

If yes and you're a CLTO/agency staff, you must self-isolate at work (provide the "how to self-isolate while at work" document) and notify your immediate supervisor.

- 5. Have you been in close contact with a person with acute respiratory illness (fever/cough) and in whom laboratory diagnosis of COVID-19 is not available, inconclusive or negative?**

If yes and you're a CLTO/agency staff, you must self-isolate at work (provide the "how to self-isolate while at work" document) and notify your immediate supervisor.

Should an individual in service that resides at the home with other individuals answer "yes" to any of the active screening questions or demonstrates flu-like symptoms, separate the individual showing symptoms from others. The individual should be encouraged to wear a mask. Staff will use the appropriate level of precautions and follow the steps outlined in the Response Guide COVID-19 Symptomatic Individuals and Staff at Community Living Toronto.
