

# Do you work as a front-line staff in the Developmental Services sector?

## What is the purpose of this study?

We are interested in learning about your experiences in supporting adults with developmental disabilities during COVID-19.

We invite you to take part in this short online survey to better understand the impact of the pandemic on your work. This information will help us determine staff needs and provide tailored support for staff at this time and in the future.

V2: June 18, 2020  
REB: #084/2020
