Re: By-Laws & Articles of Incorporation Amendments

In October 2021, the Ontario Not-for-Profit Corporations Act (ONCA) came into effect, changing the rules governing organizations such as Community Living Toronto.

The Governance Committee of the Board of Directors undertook a review and revision of our by-laws, which were last updated in 2018. The goal of this review was to:

- Meet the new expectations of ONCA
- Simplified by-laws and the language
- Modernize our governance structure
- Allow flexibility to respond to changes that may come in the future

Once approved, we will file our Articles of Amendment with the Ontario Ministry of Government and Consumer Services.

The amended By-laws and Articles of Amendment were approved by the Board of Directors on September 7th, 2022. Both these items are attached as they require approval by the Membership of the Corporation at the Annual General Meeting on September 20, 2022.
