ABOUT CORBROOK AWAKENINGS

Corbrook is a community-based service organization that has been making an important contribution to the lives of people with disabilities and their families for more than 70 years. Corbrook embraces a person-directed philosophy and approach, supporting people to make informed decisions and personal choices that will help them achieve their goals by providing unique range of skill-building opportunities that enable people to become more independent, promote self-esteem, find their employment path, and enhance their quality of life.

ABOUT COMMUNITY LIVING TORONTO

For over 75 years, Community Living Toronto has long been a source of support for people with an intellectual disability and their families. Community Living Toronto offers a wide range of services including respite, person-directed planning, employment supports, supported living, and community-based activities to more than 4,000 children, youth and adults and their families across the city of Toronto. The "community living movement" began with families who wanted their children to live in the community, rather than institutions. Today, Community Living Toronto continues to advocate for inclusive communities and support the rights and choices of people with an intellectual disability.

ABOUT THE END OF SUMMER GOLF CLASSIC

As developmental services sector partners Community Living Toronto and Corbrook work towards providing meaningful and inclusive opportunities for people with intellectual disabilities. This year we have come together to combine our fundraising efforts to enhance programs and services for the thousands of children, youth and adults who have an intellectual disability in our communities.

With your support Corbrook will be able to purchase new iPads and Smart Boards for it's day programs. Funds will also be earmarked for community activities such as trips to the zoo, museums, or art galleries. Your generosity will also help provide children, youth, and adults with special needs the opportunity for camp experiences at Community Living Toronto's [Shadow Lake Centre](#).

When the lazy hazy days of summer are over this is a fantastic opportunity to get that one last came of golf in. Join us for a day of golf, networking, and support – we promise its going to be a wonderful day!
